

The following products have been reviewed for the possible presence/absence of gluten. The guidelines used to make this determination are in accordance with the FDA's definition of the term "gluten" as outlined in the proposed rule to define and permit the voluntary use of the labeling claim gluten-free. (72 Federal Register 2795; January 23, 2007)

This list is accurate as of April 21, 2011. This list will be updated periodically. If there are any questions as to the presence or absence of gluten, please contact the T. Marzetti Company.

Product Code	Description	Gluten-Free? (Y/N)
